

Guest Racer Policy 2022

The Fleet Captains for the Sunfish Fleet and Saturday Series Racing will adhere to the guidelines set forth by the Covid-19 Committee and adopted by the Spofford Yacht Club Board of Directors.

In the spirit of good sportsmanship any outsider who wishes to join the fleet for a Wednesday night racing may do so using their own boat that may be launched from a private dock on the lake or the public boat ramp. However, guest racers who wish to use club facilities and partake in fleet sponsored post-race activities should consider applying for SYC Guest Racer Privileges. See: Guest Racer Privileges application for further information.
